Dear Sir:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

In the Specification:

At column 15, line 17, please change "who were pregnant" to --who were not pregnant--.

The error was found in the application as filed by applicant. In an Amendment and Response filed October 15, 2008, Applicants' representatives requested correction on this error by way of an Amendment to the Specification, which was duly entered on January 26, 2009 (paper No. 20090115). However, in response to an objection to the specification in the same paper, Applicants' representatives subsequently filed a replacement specification on July 21, 2009 and inadvertently erred in not carrying through said specification amendment.

Please charge our Deposit Account No. 12-0080 in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a).

The error now sought to be corrected is an inadvertent typographical error the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 12-0080, under Order No. KZY-001US.

Dated: June 7, 2010

Respectfully submitted,
